## OGMCOAL - Savage Terminal conversation with Dan Guy about oil and grease

---

**From:** April Abate  
**To:** OGMCOAL@utah.gov  
**Date:** 9/8/2011 9:45 AM  
**Subject:** Savage Terminal conversation with Dan Guy about oil and grease  
**Attachments:** April Abate.vcf

---

Dan called today to follow up with the 1st quarter monitoring report showing significant oil and grease detections in S-2-GW. This well has shown high, but inconsistent detections of oil and grease concentrations in groundwater samples.

Dan has indicated that monthly sampling for oil and grease will be instituted along with coordination with the lab to determine the source of the oil & grease. Results will be submitted to the Division.
